) ss.
COUNTY OF MOBILE)

Personally appeared before me J. Gary Wallace, who being duly sworn, deposes and
says:

My name is J. Gary Wallace. I am over the age of twenty-one and have personal
knowledge of the facts contained herein.

I am employed by the Alabama Department of Forensic Sciences ("ADFS") as Section
Chief, Drug Chemistry. On March 18, 2003, in my professional capacity I received from Deputy
A.L. Neihardt for analysis and identification the evidence described under the Description of
Evidence section on the Certificate of Analysis attached hereto as Exhibit I-1. All of the evidence
submitted was then given a unique ADFS Case Number (in this case 03MB3269) which was
written on each of the items received. Then, I gathered the described evidence together and put it
together on a shelf in the evidence vault to which only drug chemistry forensic scientists have

access. It was maintained in the condition in which it was received. Later, as indicated on Exhibit

I-1, Forensic Scientist Katrina A. Warren performed an analysis of some of the items submitted.
